Industry Experience

Green Key's Financial Services Team maintains trusting relationships with all levels of personnel ranging from some of the world's largest banks to smallest funds. Our expertise enables us to look beyond the resume and speak technically with our candidates and clients to ensure a well-rounded experience. We take a diligent approach in fulfilling our clients' needs to only deliver the right candidates and meet their resourcing demands.

Recruitment Philosophy

Our candidates and our clients are fundamental to our business. We strive to develop strong personal relationships based on honesty, ethics and excellent customer service. We are specialists in our industry and we have a strong understanding of the needs of both Financial Service professionals and organizations. Our expertise and customer service allow us to differentiate ourselves from other firms and develop long lasting relationships.
