

## HEALTHCARE

PROFESSIONAL  
RECRUITMENT  
& TEMPORARY/  
CONTRACT  
STAFFING

Green Key Healthcare offers a targeted approach to filling your hiring needs. Proven success at large teaching hospitals, leading home-care agencies, rehabilitation centers, insurance companies, managed care and long-term care facilities has made us leaders in the healthcare industry. We understand the demands of the healthcare industry, allowing us to be a committed partner that will help *Unlock Your Potential.*

## Placement Services

- Executive Search
- Permanent Placement
- Contract Consulting
- Per Diem/Temporary Staffing
- Flexible Team Solutions

## Talent Acquisition

Our results-driven Healthcare team maintains trusting relationships with top decision makers at healthcare facilities nationwide. Our approach gives us the flexibility and adaptability to ensure we serve your organization with the focus you need. Our team offers industry expertise which allows us to provide highly-skilled, competent and knowledgeable healthcare professionals.

## Recruitment Philosophy

We believe in providing specialized recruitment for each individual client. Each position is carefully reviewed and a recruiting plan is put into place. We work closely with hiring managers to provide value every step of the way. We will provide references, license verifications and additional services at your request. With Green Key, you aren't just gaining a placement service, you are gaining a strategic partner.
